

## 10 LITTLE AND LUXE

A compact kitchen needn't restrict you to a minimal design. In this example, the space has been maximised with high-fitted Holloways of Ludlow (020 8487 9422; [hollowayskitchens.com](http://hollowayskitchens.com)) cabinetry with a glamorous aesthetic. The sense of opulence is furthered by the marble splashbacks and work surfaces, which complement the parquet flooring perfectly.
